27 Feb. 1951

25X1A PLACE **ACQUIRED** DATE OF INFO.

- 1. On 3 February 1951 a 21-car train fully loaded with military supplies and equipment, including 2 tanks and 13 large artillery pieces, left Hankow for the Munan-Mwangsi railroad via Mongyang. All equipment and weapons were destined for Viet Minh Army troops in Indochina via Manning. On 12 January (sic) a train loaded with ammunition and 11 large artillery pieces for the Viet Minh left Mankow by the same route.
- 2. In mid-February, 1,000 troops with 2½ field pieces and 100 horses were moving southwest along the highway from Heinhui (113-06, 22-3½). The troops, who spoke a Shantung dialect indwore a patch bearing the number "30," said that they were noving to the Indochina border.
